COLLINS MNANGAGWA

EXECUTIVE PORTFOLIO

COLLINS MNANGAGWA

Enterprise development.
Responsible investment. Shared
progress.

EXECUTIVE PROFILE

Leadership with purpose.

COLLINS MNANGAGWA

Business leader focused on enterprise development and lasting community value.

Collins brings together commercial ambition, responsible leadership and a clear commitment to progress that reaches beyond the boardroom. His portfolio reflects an interest in sectors that shape economic participation, productive capacity and community wellbeing.

His approach is grounded in partnership: connecting opportunity with capable people, aligning investment with practical need and pursuing outcomes that can create enduring value.

LEADERSHIP FOCUS

- Responsible enterprise
- Cross-sector collaboration
- Community-centred value
- Long-term stewardship

SELECTED PORTFOLIO

Areas of focus.

01 / PORTFOLIO AREA

Mining & Exploration

A focus on responsible mineral development, operational discipline and opportunities that connect natural resources with sustainable economic participation.

02 / PORTFOLIO AREA

Logistics

Building reliable movement and supply capabilities that support industry, improve access and help enterprises operate with greater consistency.

SELECTED PORTFOLIO

Areas of focus.

03 / PORTFOLIO AREA

Energy

Supporting practical energy solutions that strengthen productive capacity, enable mobility and contribute to long-term enterprise resilience.

04 / PORTFOLIO AREA

Enterprise Development

Creating pathways for entrepreneurs and communities to participate in value chains, build capability and develop durable livelihoods.

SELECTED PORTFOLIO

Areas of focus.

05 / PORTFOLIO AREA

Places With Dignity

Advancing environments and community initiatives that recognise dignity, belonging and the importance of shared social progress.

06 / PORTFOLIO AREA

Environmental Responsibility

Promoting responsible stewardship and practical approaches that balance development priorities with care for the environment.

APPROACH

How value is built.

01 SEE THE WHOLE SYSTEM

Understand how enterprise, infrastructure, people and place influence one another.

02 PARTNER WITH PURPOSE

Build relationships around aligned interests, clear roles and practical outcomes.

03 THINK BEYOND THE TRANSACTION

Pursue commercial value alongside capability, dignity and long-term resilience.

04 ACT RESPONSIBLY

Treat stewardship, accountability and environmental care as essential to durable progress.
